
1st Pro Template From Camp26, coming soon

Posted by camp26team - 2008/05/09 14:36

Hello All,

we glad to make sound about this. 1st Pro Template From Camp26 will realese soon, our prediction on 12 May 2008. Now, we prepare that quickstart or quickinstaller and convert into Joomla 1.5 native.

Lets you know, there are 3 color style, Default (Dark Color Style), Silver Color Style and Brown Color Style.

There are 2 Module class suffix, -red and -brown; and there are 4 native tabs and dropdown menu. for more information, just wait its and then join with us.

Hello All,

Even we haven't release our first Pro Template, but all of you now can see the demo at here.

So let's join with our club now :cheer:
