Did you know about the template for this June 2008? we will provide 2-3 templates for this month, we will give for camp26's members Adventure Blogs and Full Eclipse, and as bonus is special template for sport news (based idea from Euro event, actually we hope that template release on last week but, we can't do that because several unique css that we should be fix its, :( ).

On Saturday, June 14, 2008. We will release the new template, ADVENTURE BLOGS, you need to know about the template? just see this image. (Special on this template are Glossy Album Gallery, commentary addons and event calender plus guest book. This template have native tabs and suckerfish/dropdown menu).
